

**IS PROUD
TO BE THE
GOLD
SPONSOR OF
CANWELD 2023**

Serving all of Canada for over 25 years, Exocor is the premier supplier of high-quality filler metals in stainless, nickel, aluminum, low alloy, cobalt, and carbon steel grades.

We are committed to exceptional customer service and excellent technical support while having the largest inventory levels in the industry, able to satisfy your needs from coast to coast.

As the exclusive supplier in Canada, Exocor is proud to feature Kobelco wires.

Kobelco is a world class, premium manufacturer of stainless and mild steel flux cored and metal cored wires. Serving manufacturing, structural steel, ship building, petrochemical and general metal fabrication.
